About Sage SalesLogix

Award-winning Sage SalesLogix is the CRM solution that enables businesses to acquire, retain, and develop profitable customer relationships by increasing sales and marketing performance and maximizing customer satisfaction and loyalty. Sage SalesLogix delivers deep, rich customization capabilities, high levels of end-user adoption, and low total cost of ownership across all deployment methods including Web, Windows, and mobile devices.

Sage SalesLogix provides organizations with the Freedom of Choice to select the access methods best suited for their teams, without sacrificing functionality, usability, or robust customization capabilities. Users can be more productive as they always experience the same rich user experience, regardless of application preference.

With more than 300,000 users at over 8,500 companies worldwide, Sage SalesLogix is the leading CRM solution for small to midsized businesses and divisions of larger enterprises, and is part of the Sage Software family of integrated business management solutions.
